

HANEY FARMERS MARKET SOCIETY

2009 MEMBERSHIP SIGN-UP

The Haney Farmers Market Society is a non-profit, volunteer-driven organization, which began with several core people who had the vision of having such a venue in Maple Ridge. The first market was held in August 2004, we completed very successful years, 2005 to 2008. We are now organizing for our fifth full season, with the view of many more to follow.

Members of the Haney Farmers Market Society support the “make, bake, grow and raised locally” philosophy, which empowers our local farmers, bakers, and crafters to bring their products to the general public in an open, friendly and supportive atmosphere.

Members are encouraged to be active participants in the running of the market, e.g. membership, administration, market day assistance, theme days. The result of this participation is a benefit to all the community.
